

Lead beyond your club.

Support clubs to grow.

Encourage collaboration and engagement.

Help clubs develop their path forward.

Here's the Pitch.

You know Rotary.

You know what makes clubs tick.

You know that a conversation, a connection, or a fresh idea can change everything.

As a **Rotary Community Leader**, you'll help facilitate discussion, guide support & inspire innovation within **Rotary Community Groups**.

They connect.

They encourage.

They open doors.

We're on the search for talent to join the team

Our goal is to ensure each RCG has a RCL, and with 94 leaders in place, we're getting close to the milestone of 100.

The Road to 114 starts now...
